

Prepare a discussion

Use this fictional lesson to practice.

The next page is a simple comparison diagram.

Export page 2 for your presentation.

Two ways to explore an idea

Think on your own

Notice one detail.

Write one question.

Choose an example.

Discuss together

Share your question.

Compare your examples.

Summarize one idea.

Bring the ideas together

What did you notice?

Which example helped you explain it?

What would you explore next?
